## Area: City

The part of Copenhagen defined as the *City* area spans over a large area – from the Town Hall square to the Royal Palace, Amalienborg. The area consists of the world's longest pedestrian street packed with shops, restaurants, take-away shops etc. starting from The town Hall square to Nyhavn which is world famous for its outdoor classic Danish restaurants during the summer.

Frederiksstaden is another part of City which houses the royal family (The Royal Palace) and exclusive apartments in a business environment with an international atmosphere. Around the square Kongens Nytorv you will find The Royal Theatre, five star hotels, top French cuisine restaurants, chic bars and nightclubs. The City area has a lot of green parks and relaxing sites and offer many impressive historic architectural buildings.

The City area is an ideal place to live in - if you wish to live in a busy environment with an international touch and a posh atmosphere.
